FINDINGS [General]

In granting the following remedies, the Court has considered all relevant factors, including where applicable, the unlawful and reckless use, display, or brandishing of a firearm, ammunition, and firearm parts that could be assembled to make an operable firearm by the respondent; the history of use, attempted use, or threatened use of physical force by the respondent against another person; any prior arrest of the respondent for a felony offense; evidence of the abuse of controlled substances or alcohol by the respondent; a recent threat of violence by the respondent directed toward himself, herself, or another; a violation of an emergency order of protection; a pattern of violent acts or violent threats by the respondent directed toward himself, herself, or another.

The Court, having reviewed the verified petition and having examined the petitioner under oath or affirmation, finds that:

- Venue is proper (430 ILCS 67/10).

- The Respondent poses a significant danger of personal injury to himself, herself, or another by having in his/her custody or control any firearm, ammunition, and firearm parts that could be assembled to make an operable firearm or purchasing, possessing, or receiving additional firearms, ammunition, and firearm parts that could be assembled to make an operable firearm. (430 ILCS 67/40)

IT IS ORDERED the following remedies apply in this case.

- 1. **(R01)** For the duration of this order, Respondent shall be prohibited from having in his or her custody or control any firearm, ammunition, and firearm parts that could be assembled to make an operable firearm and is further prohibited from purchasing, possessing, or receiving additional firearms, ammunition, and firearm parts that could be assembled to make an operable firearm.
- 2. **(R02)** Respondent shall turn over to the local law enforcement agency any firearm, ammunition, and firearm parts that could be assembled to make an operable firearm or Firearm Owner's Identification Card (FOID) and concealed carry license in his or her possession.

If the Court finds probable cause to believe that the Respondent is in possession of firearms, ammunition, and firearm parts that could be assembled to make an operable firearm, then

- (1) the Court *SHALL* issue a warrant for the seizure of the firearms, ammunition, and firearm parts that could be assembled to make an operable; and
- (2) the Court *MAY* issue a search warrant to locate the firearms, ammunition, and firearm parts that could be assembled to make an operable firearm. (See Warrant form attached.)
